Shipper provide short form original

Received at the point of origin on the date specified from the consignor mentioned herein described, in apparent good order, except as noted (contents and conditions of contents of package unknown) marked, consigned and destined as indicated below, which the carrier agrees to carry and to deliver to the consignee at the said destination, if on its own authorized route of otherwise to cause to be carried at another carrier on the route to said destination, subject to the rates and classification in effect on the date of shipment.

In using this Short Form Bill of Lading, the Shipper, Consignee and Holder hereof agree all the terms and conditions of Carrier's regular Long/Short form Bill of Lading, normally used in the service for which this Bill of Lading is issued, are incorporated herein with like force and effect as if they were written at length herein, and all such terms and conditions so incorporated by reference are agreed by the Shipper to be binding and to govern in the relations, whatever they may be, between all who are or may become parties to this Bill of Lading as full as if this Bill of Lading had been prepared on the Carrier's regular Long/Short form Bill of Lading.

It is acknowledged by all parties having and interest in this shipment that the specifications, conditions and restrictions of the form shown in Schedule II of the Trucking Regulation are hereby accepted, incorporated and applicable to the present contract of carriage as if written herein at length.
